GENERAL & REVENUE SECRETARIAT. 24 JAN. 1924 LOCAL SELF GOVT. BRANCH

Office of the Senior Surgeon in Mysore,
Bangalore, dated, 22nd January 1924
23rd

No. C 1196-3

From

The Senior Surgeon with the Government
of His Highness the Maharaja of Mysore, Bangalore.

Med 92-23-1.

To

The Secretary to the Government of
His Highness the Maharaja of Mysore,
Local and Legislative Departments, Banglore.

24 JAN. 1924

Sir,

I have the honour to forward the enclosed copy of letter No. 1015, dated 7th December 1923, from the Medical Officer in charge of Victoria Hospital, Bangalore, re. the construction of a separate post-mortem room at the Victoria Hospital, Bangalore, and to state that the Chief Engineer of Mysore for Roads and Buildings who was addressed in the matter has intimated that as per orders of Government no projects for works should be prepared unless the ways and means therefor are first settled. As the necessity for the work is pressing both in the interests of the Victoria Hospital and of the Medical School, I request that Government may be pleased to instruct the Chief Engineer to have the plan and estimate prepared at once with a view to the work being sanctioned and included in the next year's Public Works Department programme of urgent works to be executed.

I have the honour to be,
Sir,
Your most obedient servant,

K. B. Mysorgar
Senior Surgeon.

P.T.O.

Letter No. 1015 dated 7th December 1923 from the Medical Officer, in charge of Victoria Hospital, Bangalore, to the Senior Surgeon in Mysore.

I have the honour to bringto your kind notice that the present accommodation for the Pathological Laboratory is quite inadequate for the purpose as a large number of students (30-40) have to be at work simultaneously every morning and find it difficult to work in the limited space.

Several persons who resort to the hospital as Out-patients for anti-rabic treatment and anti-syphilitic injections of Neo-Salvarsan and several others for the examination of urine, motion, sputum and blood resentvery much waiting outside the laboratory exposed to the inclemencies of the weather. The close proximity of the Post-mortem room where cases referred to for post-mortem examination by the Police in different stages of decomposition are examined, not only creates a stench, rather not very pleasant to those in the neighbourhood, but also interferes considerably with the laboratory technique in that culture media can not be kept sterile and cultures grown on the media do not yield accurate and trustworthy results.

Under the above circumstances I request you to be so good as to kindly have a separate post-mortem room and ceremony room constructed and have the present block of rooms consisting of the post-mortem room, ceremony room and the existing laboratory set apart exclusively for the Pathological laboratory.

"Copy."

22. OCT. 1924

To

Med 92-23-7

B.Nagappa, Esq., Bar-at-law.,
Secretary to Government, Local and Legislative Department,
Bangalore.

SIR,

With reference to your letter No.C.D.37/Med.92-23 dated the 19th October 1924, in the matter of constructing a Waiting Hall to the Clinical Laboratory attached to the Victoria Hospital at Bangalore, I have the honor to inform you that the present Senior Surgeon after inspection of the spot in company with the Medical Officer in charge of the institution is of opinion that a new Post-Mortem room is necessary and not a waiting hall as proposed by Mr.Mylvaganum.

Copies of the marginally noted letters from the Senior Surgeon and the Medical Officer on the subject are herein enclosed for information

Dis.A.145 dated the 25th September 1924, from the Senior Surgeon.
Letter No.622 dated the 16th September 1924, from the Medical Officer.

2. Plan and estimate for the construction of the new Post Mortem Room received countersigned by the Senior Surgeon are herewith forwarded. If administrative sanction to the estimate for Rs.4,030/- for the construction of the New Post Mortem Room is accorded and additional funds to the extent of Rs.4.500/- for the work are got sanctioned, technical sanction

will be accorded on receipt of reply.

I have the honour to be,

S i r,

Your most obedient servant,

S. Srinivasa Rao

HRR.2/21st. for Chief Engineer of Mysore.

Letter No.Dis.A.145 dated the 25th September 1924, from the Senior Surgeon with the Government of Mysore, to the Chief Engineer of Mysore, Bangalore.

==========

In continuation of this office letter No.1196-11 dated 2nd August 1924, re construction of a waiting hall instead of a Post-Mortem room at the Victoria Hospital, Bangalore, I have the honour forwar the enclosed copy of letter No.622 dated 16th September 1924, from the Medical Officer, Victoria Hospital, Bangalore, on the matter and to state that I inspected the spot and quite agree with the reasons given by the Medical Officer and to request that you will be so good as to arrange for the construction of a New Post-mortem room instead of a waiting hall, at an early date.

The plan and estimate received from the Executive Engineer, Bangalore Division, for the purpose are herewith sent, duly countersigned.

- - - - - - - - - - - -

Letter No.622 dated 16th September 1924, from the Medical Officer, Victoria Hospital, Bangalore, to the Senior Surgeon in Mysore, Bangalore.

- - - - - - - - - - - - -

With reference to your No.C.1196-13 dated 4th September 1924, forwarding a copy of your No.C.1196-11 dated 2/4th August 1924, to the Executive Engineer, Bangalore, and requesting to forward a plan and estimate for a waiting hall to be built instead of a new post-mortem room, I have the honour to submit that in this office No.2129 dated 5th June 1924, a new post-mortem room was proposed to be constructed for reasons mentioned therein and the whole block consisting of the laboratory, post-mortem room etc., be made available for the clinical laboratory.

If a waiting hall is to be constructed as now proposed it will have to be built of stone to keep in conformity with the existing building, whereas a separate post-mortem room can be constructed

of brick; and the Executive Engineer is of opinion that the cost of the latter would be very much less. Moreover the construction of a waiting hall will not answer the requirements of the laboratory.

Under the circumstances I request you to be so good as to inspect the spot and settle the matter finally.

"C o p y."

S. Srinivasaiya

Local and Legislative Departments, Bangalore.

Sir,

With reference to your Memo No. C. D. 38, dated 19th October 1924, in the matter of providing a Waiting Hall to the clinical Laboratory attached to the Victoria Hospital, Bangalore, I have the honour to invite your kind reference to letter No. 3064, dated 21st October 1924 from the Chief Engineer of Mysore to your address on the matter, and to state that a new Post-mortem room is necessary and not a Waiting Hall, and to request that the administrative sanction to the estimate for Rs. 4030 for the new Postmortem Room asked for by the Chief Engineer may be kindly accorded at an early date.

I have the honour to be,

Sir,

Your most obedient servant,

Senior Surgeon.

6. JAN. 1925 Executive Engineer,
Bangalore Division,
Bangalore.

With reference to correspondence ending with the Executive Engineer's Memo No.408 dated the 26th May 1924, has the honor to forward herewith the estimate for the construction of a separate post-mortem room to the Victoria Hospital at Bangalore, received from the Senior Surgeon with the Government of Mysore, duly sanctioned for Rs.4,200/- as corrected in this office.

2. Pending allotment of funds to the extent of Rs.4,000 later on in the year, steps should at once be taken to start the work and complete the same in every respect before the 15th June 1925.

Sd. John Bhore,
Chief Engineer of Mysore.

HRR 5 JAN 1925

No. 9332 Bangalore, dated the 23 December 1924.

Copy of the above (with the file of his office) is forwarded, with compliments, to the Secretary to Government, Local and Legislative Departments, for information, with reference to this office letter No.B.6064 dated the 21st October 1924.

for Chief Engineer of Mysore.
